

GRAND CHAMPION THORSOAK SONNUNG

The First Ever Titled Ocicat Classic & First Grand Champion Ocicat Classic

Monika and Owen of *Thor's Oak Ocicat Classics and Ocicats* : - are proud to announce that : - Thorsoak Sonnung was awarded three Challenge Certificates - by Mr Crow, Mrs Wilding and Mrs Shingleton, at three successive shows – making him the ***First ever Champion Ocicat Classic***.

Sonnung continued to impress the judges and at his next three shows gained his three Grand Challenge Certificates - from Mr Trotter, Mr Parkin and Mrs Harper. This made him the ***First ever Grand Champion Ocicat Classic***.

The latter two shows being the joint BOBCS and East Sussex Cat Club Shows, where he was up against very strong competition, classes of six cats including Bengals, Snowshoes and Tonkinese.

We thank Rosemary Caunter, for allowing us to adopt his Dam (Thickthorn Tikari Thyme) and for the use of his Sire (Homer).

Our thanks also go to all the breeders, owners and exhibitors, who have dedicated their efforts to promote the Ocicat Classic, for over seven years, especially all those who have helped and advised us over that time. Without their dedication, none of this would have been possible.

Last but by no means least, we thank the judges who received him so well.

Always remember: -

***Thousands of years ago,
Cats were worshipped as Gods.
Cats remember this.***
